

**Canadian International Air Show Advisory – September 1, 2009 to September 8, 2009**

Date of Release: September 1, 2009

The Canadian International Air Show will be taking place at the Canadian National Exhibition (CNE) at the following times:

Thursday, September 3rd between 9:30 am and 3:00 pm practice sessions

Friday, September 4th between 9:30 am and 4:30 pm practice sessions

Saturday, September 5th 12:30 pm to 4:45 pm

Sunday, September 6th 12:30 pm to 4:45 pm

Monday, September 7th 12:30 pm to 4:45 pm

For feedback related to air show aircraft operating close to the CNE grounds please contact the Canadian International Air Show office at 416-263-3653.

Many of the air show aircraft will be operating from Toronto Pearson International Airport. Residents in the airport vicinity may notice these aircraft utilizing different runways other than those used for regular aircraft operations at Toronto Pearson between September 1 and September 8th.

Arrival and departure procedures of military aircraft participating in the air show may not follow typical flight patterns of regular aircraft operations at Toronto Pearson. In addition, some departure flight paths for regular Toronto Pearson aircraft traffic may be revised during the air show hours to accommodate aircraft operations within the restricted airspace in the CNE area.

Noise complaints related to air show aircraft in the vicinity of Toronto Pearson can be registered with the GTAA Noise Management Office at 416-247-7682 or through the GTAA website.
