# FAQ

## Noise Operating Restrictions

### ***Who must comply with the restrictions?***

All operators are required to obtain permission to operate during the Night Restricted Hours (see chart below). Only police, medevac, military, emergency flights and diverting flights where CYYZ is the weather alternate are exempt.

### ***What hours are aircraft operations restricted?***

Restrictions apply as per the table below.

<b>Aircraft Noise certification or type</b>	<b>Restricted Hours – local time Arrivals &amp; Departures</b>
All non -noise certificated jet aircraft	2000 - 0800
All ICAO annex 16, vol 1 Chapter 2 & equivalent aircraft	0000 - 0700
All ICAO annex 16, vol 1 Chapter 3 & equivalent aircraft	0030 - 0630
All other aircraft	0030 - 0630

### ***How do I receive permission to operate during the restricted hours?***

Operators may obtain permission to operate during the restricted hours by contacting the Airport Duty Manager on the day of operation at (416) 776-3030. An approval number will be issued.

### ***How long is my approval valid?***

For non-scheduled operators, once approval has been received from the Duty Manager for operating during the restricted hours, it is valid for the entire period (0030 to 0630).

### ***Is there a penalty for operating without permission?***

The restrictions are subject to Enforcement by Transport Canada under CAR 602.105. The penalty may be up to \$5,000 against an individual pilot or up to \$25,000 against a company.

### ***I forgot to call/ I did not know about the restrictions. Who can I call?***

Inquiries may be directed to the GTAA's Aviation Enforcement Office at (416) 776-5198.

For complete restrictions, operators should consult the Canada Flight Supplement and Canada Air Pilot or the Jeppesen Airway Manual for CYYZ.
