

COMMAND AND CONTROL

\$650.00+GST
Payable in CDN \$

Pre-Requisites:

NFPA 1001 or Operational firefighting position.

Description:

The GTAA Fire and Emergency Services Training Institute is pleased to offer our Command and Control course. This course will cover all aspects of Command and Control IAW Brunacini's "Fire Command" second Edition.

The course will include the following:

- Introduction to Command
- Assumption, Confirmation and Positioning of Command
- Situation Evaluation
- Communications
- Deployment Management
- Strategy and Incident Action Planning
- Building an Organization
- Review, Evaluate and Revision
- Continuing, Transferring and Terminating Command
- Incident command safety practices
- Practical exercises

Objectives:

The course is designed for firefighting personnel with limited knowledge or those who wish to enhance their knowledge of Command and Control. It will help the individual who may be placed in a command role giving him or her tools to command an incident.

Course Duration: 2 Days

Course Hours: 8:00 A.M. to 4:00 P.M. daily

FEE:

Payment must be made when registering for courses. We reserve the right to cancel seven days prior to any course in which the minimum registration is not achieved.

Student must bring: ____
