

Master Plan Information Session

Date of Release: February 15, 2007

The Greater Toronto Airports Authority is producing an updated Master Plan for Toronto Pearson International Airport. This document will serve as the guide for the future direction of Toronto Pearson between 2008-2030.

As a part of the consultation process, the public is invited to an information session to learn more about the themes and objectives of the Master Plan and to provide comment that will assist in shaping the document.

Date, time & location:

February 28, 2007
GTAA Administration Building - Atrium
3111 Convair Drive
4-8 p.m.
Presentations at 5 and 7 p.m.

Contact: Scott Armstrong, Manager, Media Relations

Tel: (416) 776-3709
